Drama & Public Speaking Workshops

Leading up to the opening of the hall, students got involved in creative art workshops. Workshop leaders came from Lusaka and Solwezi to be a part of the events. The students held a pre-opening celebration of the hall on Thursday the 6th October which showcased all the skills developed during the workshops. Much fun was had by all. The video of the events can be watched on our schools' youtube channel.

Science Display

The JETS club got involved with the creative art workshop exhibition by showcasing their science projects covering various topics.

Grades 11, 12 & 13 Prep for Final Exams

The Cambridge exam is an international qualification that is offered at IGCSE, AS and A Level. Students with this qualification have the chance to enter first-class universities all over the world.

Charne B. Yr7

What are your study techniques?

Students struggle to find study techniques that work for all but after some time they find a way that works best for them. Most mentioned flash cards, notes and reading through their work. What came across was consistency and lots of effort.

Good luck with your exams!
The exams officially started on the 30th September.

MTB Race

On the 9th September 43 riders took part in the MTB race held on Trident Campus. Well done to all the podium winners including Mr Clarke.
Raa Raa!

Trident SA Tour to Durban

Thomas More College warmly welcomed Trident College to Durban. Tinashe and Chatowa scored goals to claim a 2-0 victory. The students also had the opportunity to visit Usaka Marine world, Moses Madiba Stadium and the Natal Sharks Board.

Student Teacher Swap Day

Trident College celebrated World Teachers' Day, on the 4th October. The seniors held a special assembly and impersonated the teacher body. It was great fun to see teachers and students switching dress codes for the day.

Nature Project

If you are driven by fear, anger or pride nature will force you to compete. - Amit Ray

Trident Programme Assistants & New Students

by Alex W & Shaun

This term we had George, Izzy and Freddie join us from the UK as Programme Assistants. They have been helping around campus with CCA's and the opening of the new hall.

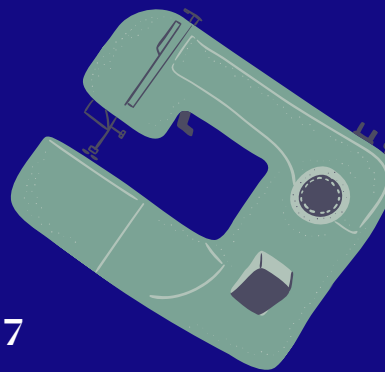

We would also like to welcome new students to our Trident family:

Thomas Mwenda, Michelle Yila,
Frank Mulimba and David Mulimba

Culture

Page by Kemo and Tinaye Year 7

Choir and Orchestra

Students in ABRSM were engaged in learning some new music for the opening of the hall. They took their time to practice their performances. Students are encouraged to reach their full potential in choir and orchestra and the results are amazing with a wide range of instruments on display.

Community Service - Sewing

"The Sewing Club was originally started by a small group of students that wanted to learn seamstress skills. It grew rapidly, and evolved into a community project, making reusable sanitary pads for the surrounding community. Following the Covid shut down, the club was restarted with the aim of combining the original ambitions of the founding students with the strong service ethos of Trident. This year, the students have been developing their basic skills within the sanitary pad initiative, whilst also embarking on personal projects. Tote bags are a favourite, as are hats and even dresses for the most adventurous. The Sewing Club promotes self-expression and reliance, and develops concentration, passion and creativity. We have recently secured the use of three sewing machines, courtesy of Trident Prep, which will allow the pupils to develop advanced skills and embark on more sophisticated community projects." -Mrs. Cole

Drama Club

Drama offers students a fun platform to express themselves. It forces you to move out of your comfort zone by challenging students to act out different characters. Teamwork and communication skills are required to put on a good production. Performing on stage builds confidence in our young students.

Maths club gives students the opportunity to practice real life applications of the theory that is studied in class. Although new to the culture programme it attracts enthusiastic students. Activities such as treasure hunts, project research and quizzes are conducted.

SCRIPTURE UNION

Sarah yr.13

Scripture Union is a club designed to coordinate Christianity in the school. Students come together to pray, play, sing and learn the word of God to manifest in their day to day life at Trident.

Leaders

This year's Scripture union was conducted by Mr Milasa, one of our parents (Mrs Carton) and Yr.12 & 13 students. They work together to ensure flow, cooperation and fun when pupils gather to praise and worship God.

'But whoever is united with the Lord is one with him in spirit'

1 Corinthians 6:17

Farewell to our lovely teachers!

By: Kape.M and Natasha.P Yr 11

Hey Mrs Tongogara, we as a tutor group would love to wish you an amazing farewell to wherever you may choose. We want to let you know that we love you and we're going to miss you dearly. You are irreplaceable in our hearts. Our laughs and giggles in tutor time are surely something we definitely enjoyed and we'd love to create more with you ma'am♥. We love you and we'll miss you

From: Your year 10 tutor group

Dear Mr Fynn,

You have always been a listening ear to us and have offered nothing but support. The time that we've had with you has been enjoyable. Every tutor session we learnt something new about our world, ourselves and yourself! Most importantly we as a tutor group have learnt to care for each other and build deeper connections. We love and appreciate your efforts and are so grateful that we were your tutees. All the best for your new journey!

love your yr 8 tutor group.

Dear Miss Cavanagh,

Your dedication to service and outdoor activities have inspired me to do something that is bigger than myself. Like going out of my comfort zone and trying new things. You helped me understand how important it is to leave behind a legacy as it helps us as a school to develop an identity. I wish you the very best in what ever the world has to offer you.

- Jacob Mwamba

Dear Mrs Kaliba,

Heartbreaking is an understatement. to express how sad we are to see you go. You filled our hearts with joy with your many war cries and you always knew what to say to lift our spirits. We will not just be losing our teacher but a mum.

- Yr 7 Tutor group

Dear Mrs Dunlop,

As my tutor, I have learnt a lot about the real world from your guidance. You made this year memorable for me, with encouragement in Eisteddfod singing, poetry and drama. I wish you the best in your future endeavours and I hope we meet in the future.

-Tafara Mwiinga
